

AGREEMENT OF CO-OPERATION

Between

ASOCIACIÓN DE INGENIEROS NAVALES Y OCEÁNICOS DE ESPAÑA

And

THE ROYAL INSTITUTION OF NAVAL ARCHITECTS

By the agreement, The Royal Institution of Naval Architects and the Asociación de Ingenieros Navales y Oceánicos de España confirm their co-operative relationship in the areas of mutual interest devoted to the promotion of the art and science of naval architecture and maritime technology. The specific terms of this agreement are as follows:

- Copies of each Society's Journals and other technical publications will be supplied regularly to the other Society's library.
- Each Society will publish details of the other Society's conference, seminar and training course programme, in its Journals, Newsletters, World Wide Web site etc.
- Each Society will encourage its members to present papers at the conferences, seminars and technical meetings of the other Society.
- Each Society will encourage its technical group to involve the appropriate groups of the other Society in their activities.
- Both Societies will co-operate together with other Societies of like aims and objectives in the organizing of conferences, seminars and training courses.
- Members of one Society who meet the appropriate grade of membership requirements of the other Society may apply for membership of the other Society without sponsorship.
- Members of one Society may subscribe to the Journals of the other Society at a reduced rate.
- All publications other than Journals will be made available to members or the other Society at a reduced cost.
- This agreement shall become effective after it has been duly approved by the governing bodies of the Societies and signed by authorized officers of both Societies.
